 All-in-one package.
 Ideal for tiling, flooring, framing, and decorating.

Specifications:

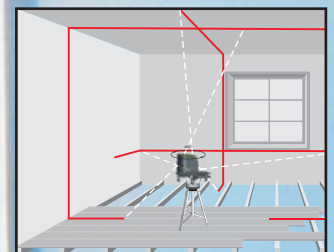

Dimensions(L x W x H):	10cm x 8.5cm x 12cm
Weight:	1000g
Emitting laser:	4 line laser, and 1 dot laser
Power :	AA x4
Battery life:	8 hours
Output power:	less than 1mw, CL II
Wavelength (H, V):	635nm
Fan angle (H):	130°
Fan angle (V1,2,3):	130°
Line thickness@5M:	1.5~2mm
Wavelength(Dot):	650nm
Accuracy :	40" (1mm@5 M)
Angle between 3-vertical lines:	90°+/-40"
Accuracy of down point:	40"
Level range:	±2°~3°
Indication out range:	laser blinking
Operating temp:	0~50°C
Storage temp:	-20~65°C

6488:
3 vertical lines, 1 horizontal line,
1 plumb dot

Leveling and setting cabinets or windows
